HARISH PACHORI

Web Developer

Delhi, India | 8010330865 | pachoriharish7@gmail.com | github.com/pachoriharish

PROFESSIONAL SUMMARY

Detail-oriented fresher web developer with hands-on experience building responsive websites and database-driven applications using HTML, CSS, JavaScript, PHP and MySQL. Comfortable with the MVC pattern through CakePHP, and with data structures in Python. Built and deployed full-stack projects, including a multi-user resume builder with PDF export. Seeking a Web Developer role to contribute to real-world projects and grow with an experienced team.

TECHNICAL SKILLS

Front End:	HTML, CSS, JavaScript, Responsive Web Design
Back End:	PHP, CakePHP (MVC)
Databases:	MySQL, NoSQL Overview
Programming:	Python

PROJECTS

Resume-Builder — Multi-User Web App | CakePHP 5, PHP, MySQL, Dompdf

- Built a secure resume builder on CakePHP 5 (MVC) and MySQL with user registration, login and private resumes per user.
- Developed a dynamic form for work experience, education and skills, with three selectable designs (Classic, Modern, Minimal).
- Implemented PDF export using Dompdf. Source: github.com/pachoriharish/resume-builder

Spill The Tea — Meme Gallery Web App | HTML, CSS, JavaScript, PHP, MySQL

- Developed a PHP and MySQL web app with login, image uploads, category filters, likes and dislikes, and user profiles.
- Designed a responsive layout with light and dark themes; deployed live at spillthetea.infinityfree.io.
- Source: github.com/pachoriharish/Spill-The-Tea

Personal Portfolio Website | HTML, CSS, JavaScript

- Created a responsive, interactive portfolio with a typing animation, tabbed skills section, light and dark themes and a downloadable resume.

Rock, Paper, Scissors Game | Python

- Built a console game against the computer using random selection, input handling, dictionaries and conditional logic.
